THROUGH PAINT, PEWTER OR DIGITAL DESIGN AND PHOTOGRAPHY, **MY ART IS ME**. IT IS HOW I SEE LIFE ON A MINUTE BY MINUTE VIEW, IT IS WHAT I THINK, IT IS HOW I FEEL...

I am Melisa Liebovitz, born into a South African family of Artists, my creative flow has carefully been etched and brushed and assumed its own identity as I've transitioned from pre-school to post graduation in draphic design and years of experience as Art Director and Creative Director to owning my own studio and you could say 46 years of creative passion and experience.

With a background in design, both graphic and web for the past 29 years, married with a passiona for Handmade Pewter Design Creations for 14 years and a progressive refinement of those skills, the only limitations to what I can design for you is - **your imagination**.

A blank canvas allows my heart and my hand to passionately create my emotions and none more powerfully than through the medium of acrylic paint, pewter and digital techniques.

ART DOES NOT HAVE TO BE PRETTY. IT HAS TO BE MEANINGFUL.- DUANE HANSON

ALL PHOTOS AND ARTWORK WERE TAKEN AND CREATED AND ARE OWNED BY MELISA LIEBOVITZ
